

# PET Blow Molding Equipment Shock Absorbers

From the Original PET Shock Absorber Supplier

ITT Enidine Inc. is the OEM supplier of choice for many of the world's major plastic container and blow molding machine manufacturers. Shock Absorbers are used to protect the "clam shell" molds and stretch rods from high impact forces and cycle rates.

- Unparalleled 20-million cycle life technology
- Proven in customer field tests to perform four times longer than conventional shock absorbers
- Operating temperature range of  $-20^{\circ}$  to  $210^{\circ}\text{F}$  ( $-30^{\circ}$  to  $100^{\circ}\text{C}$ )
- Optimized P.E.T. production throughput
- Minimized scheduled maintenance and reduced replacement costs
- Lifetime warranty to be free from material defects and workmanship

- Lifetime Warranty
- Extended Range
- Longer Life
- Exceptional Value
- OEM Approved and Specified
